Short Description

The **saxon 5x24 Finderscope with Bracket** will help you align your telescope to the object you're looking for.
Spend some time with the **saxon 5x24 Finderscope with Bracket** so you can spend more time observing.

Description

Seek out your targets with ease using the **saxon 5x24 Finderscope with Bracket**.

With its 5x magnification and cross-hair reticle the **saxon 5x24 Finderscope with Bracket** will provide a wide field of view to help you locate objects and align your telescope before you look through the telescope.

Perfect for beginner telescopes.

Comes with an attachable base.
