AUD \$39.00

Product Images

Short Description

Slim mains power adapter designed with low energy consumption.

Description

These slim mains power adaptors don't block other appliances connected to your powerpoint or powerboard. The switchmode design has low energy consumption, keeps it lightweight, and provides a regulated output voltage. It also features overload protection. Supplied with 7 DC tips, and is SAA, EMC and MEPS approved.

Features:

- Regulated output voltage
- Fits side by side on a power board
- Supplied with 7 DC tips
