AUD  
\$149.00

### Product Images

### Short Description

The MPV7 ABS Instrument case is considered one of the best quality carry carry around

Internal dimensions for this case areas follows:

**Bottom Half:** 480mm long x 350mm wide x 100mm deep.

**Top Half:** 480mm long x 350mm wide x 80mm deep.

## Description

---

The quality of the moulding is superb, and are as robust as the cases on the market that you pay much more for. Just like the expensive ones, all come with purge valves for an airtight seal, ribbed ABS construction, stainless steel hinge pins, O-ring seals and very solid catches. The lids are lined with removable egg-shell foam and they come with pluck foam insert with an extra layer of egg-shell foam.

These are truly exceptional cases that you should have no qualms about entrusting your camera gear, test, medical or scientific equipment to. 3 year warranty.

This case also has moulded slots to take dividers and two layers of pluck foam. It's also deep enough to take a pro SLR camera body.
