## Bushnell Engage 10x42 ED Binoculars

**AUD**  
**\$679.00**

### Product Images

### Short Description

A timeless configuration that will perform for birders and target shooters.

## Description

---

- ED Prime Glass - Bushnell's highest quality glass delivers amazing color, resolution and contrast, even in low-light conditions.
- Exclusive EXO Barrier Protection - Bushnell's newest and best protective lens coating molecularly bonds to the glass, repelling water, oil, dust, debris and preventing scratches.
- Dielectric Prism Coating - Applied to the prisms, it ensures vivid color reproduction and allows 92% light transmission for bright images.
- PC-3 Phase Coating - Applied to the prisms, it enhances resolution and contrast.

## Additional Information
