Short Description

--

Description

The ultimate on-the-water viewing companions, our everpopular H2O™ binoculars have been enhanced for 2012 with a Soft Texture Grip to keep them on board and in your hands in the most challenging conditions.

Just as before, they're O-ring sealed and nitrogen purged to ensure stunning views no matter how wet they get.

To maximize light transmission and clarity, standard equipment includes multi-coated optics and premium quality BaK-4 prism glass.

From the streamside to the Gulf Stream, the world simply looks better through the Bushnell® H20.

General Features

- BaK-4 prisms for bright, clear, crisp viewing
-
- Multi-coated optics for superior light transmission
-
- 100% waterproof: O-ring sealed and nitrogen purged for reliable, fog-free performance
-
- Non-slip rubber armour absorbs shock while providing a firm grip
-
- Twist-up eyecups
-
- Large centre-focus knob for easy adjustments
-
- Longer eye relief
