Product Images

Short Description

If you're looking for a compact monocular with ED prime glass, PC3 phase coating, dielectric prism coating, and Rainguard HD - with a MIL Hash reticle - this is it.

Description

A compact and lightweight monocular with a MIL reticle and ED Prime glass for spotting and ranging in the field or at the range.

- Flat Dark Earth with N/A eyepiece ED Prime Glass - Bushnell's highest quality glass delivers amazing color, resolution and contrast, even in low-light conditions.
- RainGuard HD - Patented, permanent water-repellent coating resists moisture from rain, snow, sleet and condensation for clear viewing, even in inclement weather.
- Fully Multi Coated - Multiple layers of anti-reflective coating on all air-to-glass surfaces deliver bright, high-contrast images.
