\$439.00

Product Images

Short Description

A compact & lightweight monocular with ED Prime glass for the best views in the field or at the range.

Description

Elite Tactical and Legend Tactical are built to master the most demanding challenges on the planet. The combination of professional grade optics, rugged design and advanced reticle options provide optimum performance in every tactical shooting application.

- Matte Black with N/A eyepiece ED Prime Glass - Bushnell's highest quality glass delivers amazing color, resolution and contrast, even in low-light conditions.
- RainGuard HD - Patented, permanent water-repellent coating resists moisture from rain, snow, sleet and condensation for clear viewing, even in inclement weather.
- Fully Multi Coated - Multiple layers of anti-reflective coating on all air-to-glass surfaces deliver bright, high-contrast images.

Features:

- ED Prime glass
- Ultra Wide Band Coating
- RainGuard HD
- Waterproof/fogproof
- Fully multi-coated
- BaK-4 prisms
- Twist-up eyecup
- Picatinny rail mount
- PC-3 Phase Coating
