Short Description

Improved image quality with ED Prime glass and PC3 prism coatings makes the Nitro 10x36 binocular your go to. An all glass, fully multi-coated optical system, high quality BAK-4 prisms, and an IPX7 waterproof rating, means these binoculars are ready to take on the nastiest conditions and the roughest elements

Description

This feature-packed Nitro binocular warrants best-in-class clarity and low light performance by means of a carefully designed optical system, Ultra-Wideband lens coatings, and PC3 phase coated BAK-4 prisms. Bushnell's patented EXO Barrier lens coating technology delivers clarity in any condition. Comes with our transferable full lifetime Ironclad Warranty. ENHANCED OPTICAL SYSTEM FOR MORE LIGHT TRANSMISSION An all glass, fully multi-coated optical system combined with ED Prime glass lenses enhances contrast, resolution, and light transmission. ULTIMATE COLOR ACCURACY AND CLARITY WITH PC3 COATED BAK-4 PRISMS High quality BAK-4 prisms with PC3 prism phase coatings make sure light paths are intact through the binocular making sure colors are accurate and clarity of the image is retained. WATERPROOF AND FOGPROOF CONSTRUCTION IPX7 waterproof construction is tested by submerging at 1 meter for 30 minutes without any penetration. The incorporation of IPX7 rating means these binoculars are ready to take on the nastiest conditions and the roughest elements. SEE CLEARLY IN ANY WEATHER CONDITION WITH EXO™ BARRIER LENS PROTECTION EXO Barrier bonds to exterior lens surfaces, and repels water, oil, fog, dust and debris making sure you can see your target in any condition. NON-SLIP AGGRESSIVE TEXTURE FOR CONFIDENT GRIP AND RUBBER HOUSING FOR DROP PROTECTION Updated ergonomics with non-slip soft touch rubber and easy grip texture. Easy grip runners where grip counts and texture along the sides and bridge of the binocular reduce the chance of dropping and give a confident in-hand feel....even with one hand. COMPACT ROOF PRISM DESIGN Roof prism design for a more streamlined, compact binocular, easier to hold and more compact to store. 20 YEAR LIFETIME IRONCLAD WARRANTY Nitro Binoculars are backed by the Bushnell Lifetime Ironclad Warranty and are engineered and manufactured to withstand the rigors of the outdoors for the lifetime of the product. Fully transferable and no receipt required.
