## Bushnell Prime 10x28 Binoculars Black

**AUD**  
**\$249.00**

### Product Images

### Short Description

This compact 10X binocular makes a perfect choice for hunters and nature viewers alike. The fully multi-coated optics, phase coated BAK-4 prisms, and Bushnell's patented EXO Barrier give a crisp, clear image in any condition.

## Description

---

- Exclusive EXO Barrier Protection - Bushnell's newest and best protective lens coating molecularly bonds to the glass, repelling water, oil, dust, debris and preventing scratches.
- IPX7 Waterproof construction - O-ring sealed optics stay dry inside, when immersed in three feet of water for up to 30 minutes.
- Fully Multi-Coated Optics - Multiple layers of anti-reflective coating on all air-to-glass surfaces deliver bright, high-contrast images.
