- Quick and easy no-tool setup.
- Accessories include a 20mm and 10mm eyepiece, a finderscope, and an erect image diagonal - ideal for both terrestrial and astronomical use.
- Coated all-glass optics for clear, crisp images.
- Celestron Starry Night Software included.

Description

Discover our solar system with the Celestron 102AZ! You'll be ready to observe in minutes thanks to the quick and easy no-tool setup. The 102AZ provides bright, clear images of the Moon, planets, star clusters, and more for great nighttime viewing. Plus, this dual-purpose telescope with erect image optics can also be used during the day. You'll enjoy viewing lakes, mountain ranges and wildlife by day, then stargazing at night.
