Celestron Case for NexStar 8/9.25/11 inch Optical Tube

AUD
\$1,269.00

Product Images

Short Description

- Carrying case for NexStar SE, Evolution and EdgeHD telescopes with an 8", 9.25" or 11" optical tube
- Space for carrying accessories
- Durable, EVA molded construction
- Thick foam padding along all walls
- Roller wheels for easy transportation

Description

The NexStar carrying case is designed to safely carry your NexStar SE series telescope along with any 8", 9.25" or 11" Schmidt-Cassegrain or EdgeHD optical tube. The case is EVA molded to protect your telescope with a hard, yet flexible shell. An expandable storage zipper pocket allows you to carry all your telescope's standard accessories. Inside the case, two dense foam spacers and a built-in compression strap help you customize the case for each telescope model. The case also includes wheels and an extendable handle for easy transportation.

- External Dimensions: 33" x 17" x 16"
- Internal Dimensions: 26" x 14" x 12"
- Weight: 18 lbs
- 1.5" thick foam padding along all walls and above the accessory pouch
- Three carrying handles—Two cloth handles on the top and side and one extension handle for rolling
- No handle or grip on the bottom where the wheels are located
