AUD
\$899.00

Product Images

Short Description

- Your NexStar carrying case is designed to safely carry your NexStar SE 4/5/6 and Evolution 6 telescope as well as any Celestron 8" SCT/EdgeHD optical tube
- Case is EVA molded to protect your telescope with a hard yet flexible shell
- Case also comes with a convenient storage zipper pocket that holds all your telescope's standard accessories with room to expand
- Inside the case includes two dense foam spacers and a built-in compression strap designed to customize the case for each telescope model
- Model includes a durable Nylon handle for easy transportation

Description

Your NexStar carrying case is designed to safely carry your NexStar 4/5/6 telescope as well as any Celestron 8" SCT/EdgeHD optical tube. The case is EVA molded to protect your telescope with a hard yet flexible shell. Your case also comes with a convenient storage zipper pocket that holds all your telescope's standard accessories with room to expand.

Inside the case includes two dense foam spacers and a built-in compression strap designed to customize the case for each telescope model. The 94003 model includes a durable Nylon handle for easy transportation.

External Dimensions: 23" x 15" x 14"
