Celestron Universal Mounting Plate CG-5 Vixen

AUD
\$109.99

Product Images

Short Description

- Attach a variety of accessories to your Advanced CG-5 or Advanced VX mount with this Universal Mounting Plate
- Several different mounting holes to choose from to mount rings, spotting scopes, cameras, etc
- Approximately 10 inches long

Description

The Celestron CG-5 Universal Mounting Plate is a basic accessory that allows you to attach a wide range of telescope accessories to the mounting platform of an Advanced CG-5 or Advanced VX mount. It will accept standard mounting rings, spotting scopes, and cameras. The mounting plate is drilled with several of the most common hole types and patterns, including 3/8"-16, 5/16"-18, and 1/4"-20.
