Short Description

Block stray light from entering your telescope tube

Description

A must have accessory to pair with the **saxon 12" DeepSky CT Dobsonian Telescope**! Don't allow ambient light and humid observing conditions to affect the performance of your telescope.

The **saxon Light Shroud for 12" Collapsible Dobsonian** blocks out stray light and dew from entering your telescope tube, giving you better contrast in your images. Also provides protection from dust settling on the primary mirror of your telescope.
