M48 Spacer Ring 20mm

AUD \$20.00

Product Images

Short Description

2" with M48 thread extension/spacer ring male and female threads on each side with 20mm spacing/extension.

Description

These 2" M48 threaded spacer rings help you achieve focus or to place various accessories at specific distances in your imaging train in your astrophotography setup. They can be used individually or stacked. Available in various sizes.
