Nature Guide: Birds of Australia by DK

AUD \$29.90

Product Images

Short Description

This guide is a fabulous resource for bird lovers, watchers, and professional twitchers interested in Australian birds.

Description

This guide is a fabulous resource for bird lovers, watchers, and professional twitchers interested in Australian birds. It covers every major Australian bird group and includes a distribution map showing where each bird can be found. Details on size, weight, nesting habits, bird calls, clutch sizes and migration patterns are included as is a double-page spread on major bird sites throughout Australia.
