## Orion Paragon-Plus Binocular Mount without Tripod

**AUD**  
**\$399.00**

### Product Images

### Short Description

Specialized mount holds heavy binoculars up to 80mm to eliminate arm strain and shakiness for viewing comfort

Features sliding counterweight for balancing the mounted binocular

Compatible with any field or photography tripod (without pan head) that has a 1/4" or 3/8" threaded post

Includes a L-adapter for attaching virtually any binocular equipped with a tripod adapter

Weighs 12.6 lbs. Tripod sold separately

### Description

Stargazing with binoculars is an idyllic pleasure. All the more so with Orion's Paragon-Plus Binocular Mount.

This parallelogram-style mount's silky smooth motion provides relaxing viewing for hours on end with binoculars as large as 80mm in aperture. It eliminates arm strain and shakiness, and allows you to aim your binocular high overhead, even to the zenith, while

you stand or sit comfortably underneath. Ahhh!

What's more, you can raise and lower the binoculars while staying fixed on a target, a wonderful feature when two or more people are observing together.

Solidly constructed of aluminum, the mount features a sliding counterweight for perfect balance and an L-adapter for attaching virtually any tripod-adaptable binoculars. Any binocular with at least 1 3/8" (35mm) of space around the tripod adapter port will work with this heavy-duty binocular mount.

Maximum binocular height is 7' 7". The tripod and binocular mount each come fully assembled. For use with Orion 80mm Astro-Binoculars, adapter (7589) is required to couple the binocular's integrated 1/4"-20 post to the binocular mount. Compatible with virtually any heavy-duty field tripod (without pan head) that has 1/4" or 3/8" threaded post. Mount comes fully assembled. Weighs 12.6 lbs.

Warranty

Limited Warranty against defects in materials or workmanship for one year from date of purchase. This warranty is for the benefit of the original retail purchaser only. For complete warranty details contact us at 800-676-1343.

Warning
