AUD
\$419.00

Product Images

Short Description

- Fully-multi coated optics deliver bright images, even in low-light conditions
- Straight and angled eyepieces fit every viewing scenario
- Sturdy, tabletop tripod with built-in window mount included for stable viewing
- Hard plastic case safely stores scope and tripod
- Soft carrying case protects scope and tripod for easy in-field transport
- Variety of magnifications and objective lenses fit every need

Description

Dawn and dusk are often the most important times on a hunt. Simmons Venture Spotting Scopes bring sharp, bright images, especially at those critical times. The fully-multi coated optics transmit maximum light to the eyepiece, which is crucial in those critical low-light conditions. Simmons Venture Spotting Scopes are the complete package, priced for every hunter.

A tripod, hard carrying case and soft carrying case are included.
