

Sky-Watcher Star Adventurer Green Ballhead Adapter

AUD \$19.00

Product Images

Short Description

This accessory allows to connect a ball head adaptor on top of the star adventurer mount. It features a 3/8" thread.

Description

The user friendly Sky-Watcher Star Adventurer provides various combinations to satisfy all your needs for astro-photography and time lapse photography. It is a high precision, portable and stable celestial tracking platform for Sidereal, Solar and Lunar tracking with automatic DSLR shutter release control. Moreover, it contains pre-programmed parameters assisting you to create interesting time-lapse videos with your DSLR. Sky-Watcher shutter release cables can be purchased separately for most popular camera models/brands.
