Short Description

Taking functionality to a new level: the ATX spotting scope system combines exceptionally flexible modularity with optical perfection. The objective lens can be changed to suit any viewing situation. Extreme detail recognition at crucial moments thanks to SWAROVISION technology and total ease of use ensure fascinating experiences in the great outdoors.

Description

ATX 30-70x95

With its outstanding detail resolution and up to 70x magnification, this spotting scope with an angled view is perfect for comfortable observation and offers the ultimate in optical performance. The ATX 30-70x95 sets the standard for those who want to see even tiny details in razor-sharp focus. The spotting scope also weighs just 75 oz / 2 kilograms, despite its 95 mm objective lens.
