Short Description

COMFORTABLY OVER THE SHOULDERS

Innovative accessories that are perfectly tailored to these binoculars enhance the functionality of your equipment. Apart from being user-friendly, harmonious design also plays a key role. Our accessories offer you all kinds of useful add-ons, allowing you to tailor your SWAROVSKI OPTIK binoculars to your personal needs.

NOTE: The BSP Bino Suspender Pro is compatible with the Companion, SLC, EL and NL Pure range of Swarovski binoculars. For fitment to SLC binoculars the round end attachments must be undone and the short end strap then tied directly to the binocular.

Description

BSP bino suspender pro

Keeping your binoculars comfortably close at hand: the bino suspender takes the strain off the neck area by evenly distributing weight across the upper body.

NOTE: The BSP Bino Suspender Pro is compatible with the Companion, EL and NL Pure range of Swarovski binoculars only.
