Short Description

THE FREEDOM TO EXPERIENCE MORE

You'll never miss out with the new CL Companion. These elegant binoculars with impressive optics fit perfectly in your hand. They are always with you to ensure you make the most of every sighting.

Description

CL Companion 10x30 B

See every crucial detail with the new CL Companion 10x30. Improved optics with 10x magnification bring you closer to nature. The ergonomic design of these compact, lightweight (500 g/17.6 oz) binoculars makes them an excellent companion providing you with unique experiences when you're on the move.

NORTHERN LIGHTS

As raw and rugged as northern landscapes. The NORTHERN LIGHTS accessory package features pure sheep's wool felt and sustainably produced leather. Made of 100% natural materials, this accessory package will protect your binoculars against the elements.
