Short Description

This is a special order item and may take longer than normal to arrive due to COVID-19 impacts.

Extendable spotting scopes from SWAROVSKI OPTIK have been performing in harsh conditions for decades. They are simple to use, lightweight, and can be easily packed away due to their manageable dimensions.

Description

CTC 30x75 with fixed eyepiece 30x W

This classic extendable spotting scope comes into its own on rugged terrain and during long periods of use, when lightweight design and compact dimensions are a must. An important piece of kit for beginners due to its fixed magnification and simple extension mechanism.

Included

Stay-on case, fixed eyepiece 30x W
