Swarovski T2 adapter Canon

AUD \$59.00

Product Images

Short Description

Combine with a suitable TLS-APO Adapter and a DSLR for Digiscoping with a Swarovski Spotting Scope

Description

QUICK AND SIMPLE

Whether it is the way the morning feels or a special encounter with game, there are some hunting moments that you wish you could hold on to forever. Thanks to digiscoping, you can now treasure photos of these fascinating moments.

T2 adapter for Canon

The T2 adapter ring allows you to connect your Canon camera very simply to the TLS APO 30 or 43 mm camera adapter. Please note that the product picture may serve merely as a reference. The actual look varies from batch to batch.
