Short Description

Light weight, rugged design, rapid adjustment, outstanding comfort

Description

CT Travel carbon tripod

The compact travel companion

The perfect choice if you are looking for a compact tripod that can be easily stowed away in your carry on baggage. The lightweight CT Travel carbon tripod offers a viewing height of approximately 170 cm / 66.9 in, unique for its size.

LIGHTER, FASTER, MORE STABLE

Light weight, rugged design, rapid adjustment, outstanding comfort: SWAROVSKI OPTIK tripods are perfectly designed for wildlife observation. However, the three tripods vary in important details such as size, transport dimensions, and weight: these features will help you decide which tripod is best suited to your needs.

INCLUDES DH101 Tripod Head

Simple and lightweight

Unique lightweight and easy to use - all with one hand; SWAROVSKI OPTIK spotting scopes fit directly into the DH 101 tripod head without intermediate plates and the spotting scope is automatically secured.
