Swarovski Optik CTH Carbon Tripod Head

AUD
\$687.00

Product Images

Short Description

Enhance your viewing experience with tripods and tripod heads from SWAROVSKI OPTIK. Select the right model for when you're on the move or in particularly difficult conditions or terrains. They are all made of top-quality carbon and offer outstanding stability. And their impressive comfort means that you can enjoy hours observing, filming, or digiscoping the beauty of nature.

Description

CTH compact tripod head

The CTH compact tripod head has been specially developed for fast viewing and digiscoping. Thanks to the Arca-Swiss-compatible quick-release mechanism, SWAROVSKI OPTIK spotting scopes can be mounted quickly and accurately - for a secure and comfortable viewing experience. The counter-balance system also prevents the equipment from tipping backward or forward even if it is not locked, while the integrated fluid bearing ensures smooth, even movements.
