**AUD \$59.00**

### Product Images

## Short Description

---

W&W Astro dew shield to prevent dew appearance and improve contrast. Easy to fit. Suitable for 6" telescopes.

## Description

---

W&W Astro flexible dew shield prevents dew appearance on the corrector plate. It's made to be an easy fit on your telescope tube. It has similar length to telescope's outside circumference and should be placed at the front end of the tube. The inside of the shield is covered with black felt fabric to improve contrast.
