saxon 1.25in Laser Collimator with 2in Adapter

AUD \$99.00

Product Images

Short Description

Quickly and conveniently collimate your telescope with the saxon 1.25 Laser Collimator!

Description

Promising precise alignment of your telescope, this aluminium laser collimator has a bulls-eye target that allows you to easily adjust the telescope's primary mirror by tweaking the adjustment screws. Collimation is successful once the laser beam hits the bulls-eye.

The saxon 1.25" Laser Collimator is powered by 1 x CR2032 lithium battery (included).
