Short Description

Enjoy the versatile power of zoom binoculars with the saxon 10-30x50 Scouter Binoculars

Description

The **saxon 10-30x50 Scouter Binoculars** are a great combination of quality and affordability.

These binoculars feature a variable zoom of 10-30x, 50mm objective lens, center focusing, multi-coated optics and fold-down eyecups.

The rubber-armour body and ergonomic design make it a great option for both indoor and outdoor use.

Great for viewing objects over both short and long distances, this pair of binoculars feature smooth easy-focusing and can be mounted onto a tripod.

The saxon 10-30x50 Scouter Binoculars comes with a soft carry case, neck strap and lens covers.
