**AUD**  
**\$149.00**

### Product Images

### Short Description

Padded carry bag for telescope with accessory pouch

## Description

---

The 110cm padded carry bag is built with quality and durable nylon. The internal dimension of length 105cm x width 24cm x height 26cm allows you to store telescopes and/or tripods from aperture 60mm to 200mm. Your eyepieces, finderscope, diagonal, collimator, and other smaller accessories can be stored in the accessories pouch that is included in this padded carry bag.

This saxon padded carry bag suits the following telescopes:

- saxon 607AZ2 Refractor Telescope/ #214104
