saxon 16-48x65 Spotting Scope

AUD
\$317.51

Product Images

Short Description

The saxon 16-48x65 Spotting Scope is a good beginner scope without the expensive price tag. Featuring a multi-coated objective of 65mm, this spotting scope offers a magnification between 16-48x. Ideal to use for birding, hunting, target shooting as well as digiscoping - the sky's the limit!

Description

The **saxon 16-48x65 Spotting Scope** is an entry-level scope that offers sharp, clear views with a low price tag.

Part of the Digiscoping series, this quality scope features magnifications of up to 48x with its 65mm objective lens. You'll be able to use this scope straightaway thanks to its included eyepiece and tabletop tripod.

Bring this scope with you on your next outdoor session - birding, hunting, target practice, astronomy - the saxon 16-48x65 is ready for them all.
