\$799.00

Product Images

Short Description

We've combined long-range viewing with sharp, clear images all in the the **saxon 22-67x100 Spotting Scope**.

Designed for birders, especially those intending to venture into digiscoping, this spotting scope gives an amazing zoom range with

magnifications of up to 67x.

Waterproof, fogproof and nitrogen-purged, the saxon 22-67x100 Spotting Scope promises maximum performance no matter the use.

Description

If you're after a well-built, sturdy spotting scope for your next birding or digiscoping activity, look no further than the **saxon 22-67x100mm spotting scope**.

With a full 100mm multi-coated objective, you'll be able to see bright, clear images even in low light. Magnifications of up to 67x gives you detailed observations and to zoom out, all you need is to twist the eyepiece which will smoothly bring you back down to a 22x magnification.

The saxon 22-67x100 spotting scope comes with a host of accessories including a quality soft-carry case and is tripod adaptable.
