saxon 9x50 Finderscope with Bracket

AUD
\$199.00

Product Images

Short Description

The **saxon 9x50 Finderscope with Bracket** will help you pick out your target and align your telescope to it. Increased magnification means that you will be able to see more and deeper.

Spend some time with the **saxon 9x50 Finderscope with Bracket** so you can spend more time observing.

Description

Locate objects quickly so you can spend more time observing them with the **saxon 9x30 Finderscope with Bracket**.

The 50mm aperture gives an extra bright and sharp image, while 9x magnification lets you see more and deeper. Lock on to your targets with the cross-hair reticle and observe away!

Fits all dovetail mounting brackets.
