Short Description

Turn your saxon EQ3 mount into a Go-To with this kit

Description

saxon Goto Upgrade Kits:

- Upgrade your standard telescope with a computerized GoTo system that automatically locates and tracks more than

42,900 targets with pushbutton ease

- The convenient GoTo hand controller features intuitive menus for easy target acquisition
- Dual stepper motors slew the telescope at 3.4-deg per second to center your target in the eyepiece
- The upgrade kit installs easily and requires no modification to the telescope mount.
- Includes two motors, motor control box, and hand controller
- Requires a 12V DC power source or an AC power adapter.

* Please note that the saxon GoTo Upgrade Kit is not compatible with certain telescope mounts purchased before mid-2004. Please enquire with us if you are unsure.
