saxon Night Sky 20x80 Waterproof Binoculars

**Regular
Price: AUD
\$329.00**

**Special
Price AUD
\$295.00**

Short Description

For a pair of binoculars that's great for both astronomy and long-distance terrestrial observation, you'll want the **saxon 20x80 Night Sky Waterproof Binoculars**.

Images will come up bright, clear and crisp with these binoculars' large, oversized 80mm objective lens with anti-reflection coatings, BaK-4 prism and multi-coated lens.

To start using your binoculars, simply mount them on a tripod using the built-in tripod mount and center stabiliser rod. Waterproof and fogproof, these lightweight, long-eye relief binoculars promises a comfortable viewing experience wherever you go.

Description

The saxon 20x80 Night Sky Waterproof Binoculars offer beautiful views of the night sky as well as expansive sights on land.

These floating waterproof binoculars are feature-packed:

- Metal body with rubber covering
- BAK-4 prisms
- Fully multi-coated lenses
- Long eye relief
- Central focusing
- Heavy duty tripod adapter incorporated
- Backpack carry case.
