\$129.00

Product Images

Short Description

The perfect stereo microscope for the aspiring scientist and hobbyist alike.

Suitable for users of all levels, the saxon ScienceSmart Stereo Microscope 20x features:

- 20x magnification
- Black/white contrast plate to increase contrast during observations
- 45° incline microscope head

Description

Perfect for kids and those looking for a no-frills microscope that delivers every time.

The **saxon ScienceSmart Stereo Microscope 20x** offers a 20x magnification, perfect for viewing insects, small plants, fabrics, circuit boards, etc.

By utilising ambient lighting as illumination, this microscope is suitable for both indoor and outdoor use and is simple to operate.
