saxon Single Axis Motor Drive EQ2

AUD
\$159.00

Product Images

Short Description

Single axis motor drive for EQ2 mount, with 9V battery.

Description

Want a continuous, undisturbed viewing experience? Then you need a motor drive!

Designed to work with an EQ2 mount, the **saxon Single Axis Motor Drive EQ2** compensates for the rotation of the earth so that you can focus on observing the stars and spend less time tracking them.

Requires a 9V battery for operation (included).
