saxon Tube Rings 200mm

AUD \$99.00

Product Images

Short Description

If you're looking to mount or reposition your 200mm reflector telescope, you will need these saxon tube rings

Description

Made from cast-aluminium, this set of two tube rings comes with quick-release, hinged clamp knobs as well as the necessary bolts and washers to make setting up an easier job.

The inner diameter of these tube rings is 235mm.

3-Years Limited Warranty
