saxon Wide Angle 10x50 Binoculars

AUD \$75.00

Product Images

Short Description

Sometimes all you want is a pair of standard, reliable binoculars.

The **saxon 10x50 Wide Angle Binoculars** has 10x magnification and offers wide field viewing with its large objective lens of 50mm.

Observe and focus on distant objects comfortably; and carry your binoculars with you using the included neck strap and carry case.

Description

The saxon 10x50 Wide Angle Binoculars feature quality BAK-4 prisms, multi-coated lens and are housed in a sturdy, streamlined body.

The saxon Wide Angle Series provide comfortable viewing with long eye-relief, twist up eyecups and large exit lenses.
