## saxon Wide Angle 20x50 Binoculars

AUD \$99.00

### Product Images

### Short Description

The **saxon 20x50 Wide Angle Binoculars** combine comfort and durability.

The binoculars' 50mm objective lens are high performers in low light and the 20x magnification lets you get up close and personal with your target.

Prolonged use is made easy with long eye-relief features and twist up eyecups.

### Description

The saxon 20x50 Wide Angle Binoculars feature quality BAK-4 prisms, multi-coated lens and are housed in a sturdy, streamlined body.

The saxon Wide Angle Series provide comfortable viewing with long eye-relief, twist up eyecups and large exit lenses.
